

MAST NEWSLETTER

DECEMBER 2014

Greetings everyone

We hope you have a wonderful time this Christmas. May God bless you in the year ahead too. You've probably sent all your cards by now, we at MAST have sent a total of 98 cards to our schools.

School appointments in November

We had record numbers in November: 104 school appointments, which was the third time the century mark has been achieved, but the first time we've had this great a number in November. Let's praise God that appointment numbers have kept on rising.

Prayer letters

November was also a record month for the number of prayer letters sent out: 53 as hard copy and 203 by e-mail. If you'd like to be added to the e-mail list then contact Michael at afentem@sky.com

Carol Services and Nativities

Our workers have noted that many schools are now putting on traditional carol services and nativities compared with previously when secular performances were the more usual at Christmas. This is heartening news in a society where sadly the opposite so often seems to be the case. We can rejoice that in Derbyshire schools the children know why we have Christmas.

2015

Let's pray and believe that God will continue to "bless and prosper" our ministry to the children of Derbyshire - children who are the future adults, future parents and maybe even future leaders in our nation.
