Uncle Michael new challengers

After serving MAST since its inception 16 years ago, and previously working in schools for six years for his own church, Derbyshire Dales Christian Centre, Michael is stepping down.

He has been attending over 70 appointments every term and has been conducting appointments from Peak Forest to Milford, from nursery age children to Year 11's at Secondary School.

We will all miss Michael greatly, but we ask you to join with us and pray that God leads him into new pathways and adventures. His unique style and enthusiasm will be irreplaceable, but join us in praying for Emily and Michael Tinker as they take over many of his appointments.

James and Christine Coates

Please remember them daily in your prayers. They hope to start doing assemblies and work in their church again in September.

Michael Tinker and Emily Spencer

Please pray for them both as they prepare spiritually and prepare material to take over from Michael in September.
