

M.A.S.T.

While Michael will be teaching about the Easter story and the victory Jesus has won, Ray and Beryl will be teaching the story of Brave Queen Esther.

We are also grateful for Rebecca Walsh coming on board to help cover some of the schools that James and Christine have been unable to go into. She's already been into one school and has 3 more scheduled this half-term.

Please Pray

Thanks

For the ongoing opportunity - it really is staggering that we are able to share the good news of Jesus with so many children and adults.

For safety on our journeys - not to be taken for granted! With snow, ice, wind and rain and LOTS of travelling we're grateful for safe arrivals (and please pray this will continue).

Petition

For finances to increase to fund the work we do.

For the work to impact the teaching in schools: where there is perhaps a lack of knowledge, pray that our assemblies would enable teachers to better understand the Christian faith and so teach it more effectively in class.

Specific needs

James as he continues to recover from his chronic fatigue - wisdom, patience and healing.

Rebecca as she follows up schools - pray for open doors.

Finances for Michael - as this is effectively his full time job please pray that the necessary financial needs would be met.

Thank you

Thank you so much for your ongoing prayers and financial support for this work. It's a privilege to be co-workers in this wonderful work with you!

We'd also love to come and visit your church to share more of what we're doing. Please get in touch with Michael (reply to this email) and we can sort something out!
