

# M.A.S.T

We will tell the next generation the praiseworthy deeds of the Lord... ~ Psalm 78:4

## Praise God:

- For the legacy and ministry of MAST over the last 21 years.
- That following Covid we are now able to go back into schools.
- For the many openings we have already had in the last few months.
- For the warm welcome we have received in the schools that we currently go into.

## What we've been up to

Chloe and Hannah were very excited to be welcomed by the MAST Trustees in November 2021 as the new MAST schools visitors. Due to Covid and changes to the MAST team, there had been a period of time when MAST hadn't been into any schools. So the first task was to reconnect with schools and introduce ourselves. However we were delighted with how soon we were able to get back into schools and started delivering Collective Worship in December.

Both Chloe and Hannah have a desire to share the Good News with children through Bible Stories, so this is at the heart of what we do. Hannah now regularly goes into seven schools delivering Collective Worship. And Chloe regularly goes into nine schools delivering Collective Worship and in some of these schools also delivers the 'Walk through the Bible Programme' to children in Year 5 & 6 during R.E lessons.

## Prayer Points:

- Please pray that God will open the hearts of the children and staff to receive the message.
- Please pray that we would be an encouragement to the Christian Staff in schools.
- Please pray for more openings in schools.
- Please pray for our MAST Service of **Thanksgiving on the 3<sup>rd</sup> July at 6.30pm at Steep Turnpike Evangelical Church, Matlock, DE4 3FD.**  
You are warmly welcome to join us for this special occasion.
- We would also appreciate prayer for the individual school visits. A list of these can be found on the MAST website.

## Financial Support

If you would like to support our ministry financially please contact Chris Cookman at [chriscookman@talktalk.net](mailto:chriscookman@talktalk.net) for further information.

## 21 years of M.A.S.T

Despite there being a short break in the work of MAST and staffing changes in some of the schools, we are both very aware and grateful for the legacy of over 20 years of ministry by MAST. We feel very privileged to have been handed the baton and to be continuing with this precious work.

*"How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard?" Romans 10 v14*  
We long for every child in the area to HEAR of God's Love.

## Encouraging stories

**Hannah:** During a recent school visit, a child said to me 'I have a conspiracy theory about the Bible'. He went on to explain '*I think some of the Bible stories are true. They actually happened!*'. It was a light bulb moment for this child, like he had realised or discovered a secret –that the Bible may in fact be true. Please pray for him.

**Chloe:** In my last Walk Through the Bible lesson in a school recently, a girl came up to me at the end and said '*Chloe you were right, the Bible wasn't as boring as I thought*'. Please pray that the children will want to read more of the Bible for themselves after these 5 interactive lessons.
