Autumn Term Newsletter 2026

MAST News

During the summer holidays the MAST schools visitors have enjoyed helping with summer camps and holiday bible clubs, spending time with family and friends and time relaxing at the beach. Now as the new autumn term begins, Rachel and Hannah are looking forward to getting back into visiting schools. Chloe won't be visiting schools this term as she is now on maternity leave and looking forward to the arrival of their 2nd baby later this month. Last Friday 11th September we met for coffee and to pray for the schools we will be visiting this year. We are grateful for the prayer of our supporters as we partner together to support schools in Derbyshire.

Rachel's News

Rachel is looking forward to beginning another term visiting the schools in her area. Rachel hopes to take on a few of Chloe's schools whilst she is on maternity leave. Please pray the doors will remain open to Rachel whilst Chloe is away and that the schools will be able to coordinate their sessions with the times that Rachel has available. Rachel currently visits one secondary schools but would love to visit more, especially Tupton Hall and Highfields in Matlock. Please pray for a way in to these schools. Secondary schools are often more open to Christian visitors if they have been requested by pupils wanting provision such as a Christian Union. Many of the contacts in Rachel's schools have changed over the summer. As a result, she has not as yet had many bookings for the autumn term. Please pray these new contacts will be open to having her visit and that good relationships will be built with these different teachers.

Hannah's News

This term Hannah will be presenting Walk Through the Bible Old Testament lessons in R.E to the Y5&6 children at St Giles in Starkholmes and the Y6 children at All Saints Juniors in Matlock. For Collective Worship, Hannah will be delivering stories from the New Testament focusing on 'Changed lives'. The first of these will be Zacchaeus. As we approach Christmas, the school visitors will be delivering Collective Worship on Christmas and giving Christmas literature gifts to the children.

Prayer Points

- For Chloe on maternity leave. For the safe arrival of both baby and mother during delivery.
- For the Clayson family as they adjust to being a family of 4.
- For the school staff. Pray that God will provide them with everything they need to do their work well.
- For the children and young people in schools. Please pray especially for the new starters in Early Years and in year 7 and those starting exam years.
- Please remember those school leavers who have moved up to 6th form/college/apprenticeships or work.
- For Rachel and Hannah as they prepare for the lessons and Collective Worship they will deliver.
- That everyone who hears Rachel and Hannah would understand more about God and the Christian faith.
- That relationships will be built and continue to grow with local churches.
